

# Dallas Hand knitters Guild

## Announcing: Chris Bylsma Workshop

**Sunday, September 15, 2013**

**Neckline Love (9 am-12)** Love the sweater, but not the neckline. So change it! Learn to design your own crew, funnel, V-neck, scoop or any shape neckline, in any gauge, that fits YOU. Finish it with perfect picked-up edges for flawless necklines you will absolutely love, love!

**8 Empowering Edges (2-5pm)** Ribbing and garter stitch edges are usually reliable choices for edges, but not all edges are equal. Learn eight hard-working edges (and maybe a few more) that empower you as a knitter to create beautiful, professional details, provide the control needed for various edges and give you the option of making your own design decisions in a project. Add these trusted friends to your bag of tricks for future projects or even to solve an existing problem.

Chris is known for her Crayon Box Jacket and inventive Ladder Scarf and Ladder Shawl. She encourages knitters to “color outside the lines” & to “think out the box” where it’s more fun! She teaches workshops nationally, TNNA, conferences & shops. Chris retired from a career in advertising & marketing to pursue her artistic passion—Knitting & Texture play. Her patterns will be available for sale.

**Cost: \$100- Both or Just 1 for \$60 \*\*\* Take Both or One—Your choice**
